Sir:

RESPONSE "F"

The present Office Action Response responds to the Final Office Action issued for the above cited application and is being submitted with an extension making this response timely filed. This response is being sent with a request for continued examination. The Examiner indicated in the advisory action that this response would be entered for purposes of appeal. Applicant seeks to have it entered for purposes of prosecution. Claims 1-7 and 12-18 are currently pending in the present application. Applicant is amending claims 1 and 12, and the specification. Applicant believes that no new matter has been added in this Final Office Action

Response and believes that the amendments place the application in condition for allowance or better condition for appeal. Applicant asks that the Examiner reconsider the identified patent application in view of the following amendments and remarks.
